2 Peter 1:19 "And we have the word of the prophets made more certain, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts."

Falling in too deep, cannot find my way back home

***F#m*                      *C#m*                      *D*                      *A*    *E/G#***  
Cold and restless sleep, is it me or is it you?

***D*                      *F#m*                      *A***  
Lights will guide us home, You are not alone

***C#m*                      *D***  
Love is lost and found, and I am found again

***F#m*                      *A***  
I fix my eyes on You, all that's pure and true

***Bm*                      *A/C#*                      *E***  
Author and Perfector, Savior, Liberator come....

***A*                      *E/G#***  
Jesus, Light of the world

***Bm*                      *D***  
Light up the skies, light up my life

***A*                      *E/G#***  
Jesus, Morning Star

***Bm*                      *D***  
Rise in our sights, rise in our hearts

Most Beautiful Light

Nothing else will fill, this void inside my heart  
You're telling me be still, to remember from the start  
Lights will guide us home, to Your eternal throne  
Grace and mercy meet, and I am found once more  
I fix my eyes on You, all that's pure and true  
Author and Perfector, Savior, Liberator come...
