
Falling Again

Jon Li

Db2 *Bbm7* *Ab* *Eb/G*
I'm coming around, You turn me upside down, inside out

Db2 *Bbm7* *Ab*
I'm losing myself, finding that life is sweet

Eb/G *Db2* *Fm* *Cm* *Eb*
Life is all we have

I'm coming alive, senses are waking to Your voice
Memories speak, telling me life is sweet
Life is all a gift

Db2 *Ab* *Eb/G* *Fm* *Db2*
I'm finding again, this beautiful sunshine in Your eyes
Ab *Eb/G* *Bbm7* *Ab/C* *Db2*
I'm falling again, this beautiful love walks in disguise

Interlude: *Ab* / / / *Fm* / / / *Eb* / / / *Db* / / /

I'm running away, feeling the raindrops fall
Darkness closing in
You tell me to stay, 'cause time is in Your hands
Time is all we have

I'm holding out hope, maybe someday we'll see
Fear and hate no more
Gravity floats, turning this world around
Love is found in You
